HEAR IT FROM THE COUPLES

Emma and Yoko February 2024

"We had the most wonderful wedding at Kala Bahia in February. It's such a beautiful and romantic location, sun setting while we said our vows and then dancing under the stars. It was perfect. Mati and her team were great across every detail from the beginning to the end. Finally and very importantly for a wedding...great cocktails and a delicious buffet! Thanks so much Kala Bahia for an unforgettable day"

Martin and Matilda March 2024

"What a truly magical venue. Mati and the team did an incredible job with their delicious food and fantastic cocktails. We took a laid-back approach and trusted Mati with everything and she pulled through in every way, resulting in a stunning wedding and a night we will never forget. Thank you so much"

THE WEDDING DAY

Our beautiful outdoor spaces can comfortably seat up to 120 people for a wedding ceremony and up to 250 guests for a fun reception to follow.

Each and every wedding at Kala Bahia is different – according to the preferred style of your wedding, the number of guests attending and the package you choose. However, here is some idea of how the order of events for your wedding could take place:

4.30pm: Guests arrival and welcome drinks.

5.30pm: The Ceremony. We will be happy to arrange for a celebrant to design and host your ceremony for you.

6pm-7pm: Floating starter served as your guests happily mingle after the ceremony.

8pm: A delicious buffet dinner enjoyed at our elegantly set dining tables, according to your wedding theme.

Music: Dance beneath a star studded sky to the sounds of a live band, a DJ of your choice or simply your own favourite playlist.

Please note that in the peaceful, coastal region of Goa, live music/DJ's are only permitted to play until 10pm – although the music may continue until midnight at a lowered volume. Feel free to get in touch for Kala Bahia's recommendations for music and entertainment, including the hire of a high quality sound system,

OUR COMMITMENT TO ECO SUSTAINABILITY

As a venue, Kala Bahia is committed to minimising our impact on the environment.

We strive to preserve the local, natural beauty of the place we love to call home and have implemented a number of sustainability initiatives to achieve this.

These include: endeavouring to use only local and organic produce as far as possible; recycling our waste responsibly; replacing plastic with glass when serving bottled water ; utilising a grey water recycling system that also helps to feed our plants; growing our own herbs and vegetables.

A night scene at an outdoor event. In the foreground, several people are seen from behind, looking towards the sky. They are wearing light-colored shirts and dresses. The scene is illuminated by warm string lights and large white paper lanterns hanging from a canopy of brown fabric. In the background, a large firework display is visible in the dark sky, with many bright blue and white streaks radiating from a central point. The overall atmosphere is festive and celebratory.

Thank you!
